ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

There is no promise on either to
 give or not to give information
 outside the Legislature to
 the Legislative Council members
 on requisition. The reference
 raises a question of principle
 which has to be decided now.
 Whether requisitions from Leg-
 Council members, outside the
 Council, have to be complied
 with. If it is conceded
 that they should be, any member
 will be at liberty to ~~ask the Govt~~
 make any number of requests
 to Govt, and Govt will have
 to enter into voluminous
 correspondence.
